**Kodak Moments** Kiosk G20 Order Station

# The touchpoint for great memories and new opportunities.

A countertop creation solution powered by intuitive **Kodak Moments** Kiosk Software with vibrant touchscreen technology that invites consumer interaction from across the room.

- High resolution touch-screen monitor provides more vibrant, brighter graphics and an improved viewing angle for a better user experience.

- Enhanced AUR process simplifies setup and preloaded software that's ready to go once configured.

- Easy wireless image uploading from mobile devices via **Bluetooth** and **Wi-Fi** technologies.

- Front-facing receipt paper access makes it easy to change rolls.

- Improved serviceability, increased customer replaceable components.

- Maintains environmental standards – newly acquired ECMA 370 ecodeclaration.

- Available in two color options: White with red accents, Black with yellow accents.
